

High Performance Manager - Coaching

The Fremantle Dockers are seeking a highly skilled and motivated professional to join our team in the exciting new role of High Performance Manager – Coaching in our Football Operations Department.

The main focus of the role is the ongoing education and development of the club's coaching team to ensure they deliver the highest standard of coaching to the playing group.

This will involve a diverse skill set to enable the successful candidate to provide assistance and mentoring to the coaches in terms of the player development plans, teaching and feedback techniques and accountability for the coaching team's individual development plans.

Above all else, the ideal candidate will be of exceptional personal character with a high level of integrity and work ethic with willingness to commit to the club's trademark behaviours and values.

A reasonable knowledge of the disciplines of sport science, psychology, coaching / education and leadership is desired.

In addition they will have an understanding of the principles of a high performance environment which may include the sporting or corporate environment. AFL experience is not essential.

The proven ability to develop athletes and / or staff is required. The right person will be able to easily create rapport and trust with others.
