

OGFC WOMEN'S FOOTBALL COACH

THE CLUB

The Old Geelong Sporting Club is entering an exciting new era with the introduction of a women's football team. The right candidate will create history by coaching the first ever OGs women's football team in the newly-formed VAFA women's competition.

The introduction of a women's football team adds to the growth of the Old Geelong Sporting Club which already includes netball, tennis and cricket teams, as well as our very successful men's football teams. With over 40 women training regularly with the men's sides, the team is looking to follow in the footsteps of their male counterparts who took out the premiership in Division 1 of the VAFA this year.

THE POSITION

The Old Geelong Football Club is seeking a new coach for its inaugural women's side. Successful applicants will need to demonstrate:

- A strong desire to teach and develop players
- Excellent communication skills
- A positive attitude, organised and well prepared
- A detailed position description is provided on the following page.

The candidate will be supported by an assistant coaching team who are already working with the players.

REWARD

Beyond the very competitive financial remuneration offered, the Club will also assist in the sourcing of non-football career networking opportunities where possible. The Old Geelong community is friendly and supportive, with extensive links into both Geelong and Melbourne. See the following page for further provisions from the Club.
